

2021 Supreme Aire Super Class C Motor Coach

## At Home on the Range

When we introduced our first Super C models in 2020, we immediately set a new bar for the industry. They featured luxurious appointments and innovative features you simply don't find on other Super C coaches. The 2021 Supreme Aire takes those appointments and elevates them even further. Whether you're heading out on the trails for a ride, or just trying to get away from it all, going there in the Supreme Aire makes the experience even more enjoyable.

2020 Artisan paint shown

## A True Thoroughbred 2021 Supreme Aire

As an instant classic in the Super C category, the 2021 Supreme Aire is even better suited to your travels—whether that's a trip to the ranch or to a show near a city. The Supreme Aire is now available in five floor plans, including two 40' options new for 2021. It's built on a Freightliner® M-2 112 chassis with a hefty Detroit DD13-505 HP diesel engine, which also gives you a whopping 1850 lb./ft. of torque—perfect for towing a trailer or spare vehicle.

*Hamden full-paint Masterpiece™ finish*

## Style Meant to Show

Traveling in style translates through the living space of the Supreme Aire. You'll find several furniture layout options, including the theater seating opposite a sofa. Others include a chaise lounge, hide-a-bed sofa, a hide-a-leaf table with two fixed and two folding chairs, and more. It's easy to relax after a long day with a retractable Samsung® 4K LED TV and a Sony® Blu-ray player, plus a Bluetooth® compatible Bose® 700 soundbar with a 500 series subwoofer. Add the set of three Penguin™ heat pump air conditioners and you'll have no problem staying comfortable, no matter where you're posting up.

*Floor plan 4575 with Hamden décor and Carmel Glazed Maple high-gloss cabinetry*

## A Stable Ride

In the cockpit, we focused on comfort and convenience for your drive. Both air ride captain's chairs offer pneumatic lumbar support. A custom-tuned JBL audio system delivers crystal clear sound for music or podcasts. You'll know exactly where you're going thanks to a standard Rand McNally navigation system that's displayed on a monitor that's larger for 2021. To give you a clear view into your surroundings, you'll find a tri-view rearview camera system. And to keep you connected, you'll find a standard in-coach Wi-Fi solution.

## Be the Camp Cook

The kitchen in the Supreme Aire makes cooking a dream. Brimming with storage space in beautiful hardwood cabinetry, it's easy to bring along your most necessary cooking tools. These cabinets also feature self-closing drawers and doors with soft-close hinges. Standard appliances include a recessed two-burner induction cooktop with a cover for additional countertop space, a 30" stainless steel convection microwave, and a Whirlpool® refrigerator. You can also upgrade to a stainless steel dishwasher in a drawer, as shown here. The super polished countertops pull the look together—and look especially great with additional natural light from the optional kitchen window.

## Ride Off into a Night's Rest

The master suite of the Supreme Aire is built around a king-size bed, adorned with either a plush pillow top mattress or the optional Sleep Number® mattress. Keep your devices charged with USB charging ports in the nightstands flanking the bed, and catch up on your reading with adjustable lights positioned at the head of the bed. Opposite the foot of the bed are a Samsung® LED TV and Blu-ray player. Your floor plan may include a large dresser with several storage drawers with a wardrobe with sliding doors as seen here, or two hanging wardrobes and dresser with storage space for clothes, bedding, and other gear. Plus, an optional Splendide® stacked washer and dryer are available to make laundry day easier.

## Start Your Adventure Fresh

In need of a nice, relaxing end to your day? The master bathroom of the Supreme Aire is ready for you. Regardless of your floor plan, you'll find a spacious bathroom. Shower options include a 36" radius shower or a 40" x 32" rectangular shower—both offering plenty of space. The rectangular version includes a fold-down seat, while both are equipped with an Aqua Miser® shower system. Tiled walls and a glass door add a nice design touch, as does the hand-laid tile backsplash.

## Comfort to Share

The large double vanity, like the one shown here, leaves plenty of space to accommodate two to get ready at once. Backlit mirrors sit in front of a hand-laid tile backsplash. Two rectangular undermount sinks sit in polished countertops. In some floor plans, you'll also find a well-appointed mid-ship half-bathroom. It features many of the same beautiful appointments found in the master, and is perfect for hosting guests.

## Saddle Up

When it's time to go, there's no better way to do it than in the Supreme Aire. Starting with the industry-exclusive full-paint Masterpiece™ finish, it also includes a standard Girard® awning package to make the outdoors even nicer. You can go further off-grid by selecting optional solar panels. The rear pass-through basement storage is an industry exclusive that you'll only find on Newmar Super C models, and offers you quick and easy access to all of the gear you need to bring along for long rides. Add the optional outdoor entertainment package and you'll net a Samsung® 4K LED TV and soundbar. Other thoughtful touches include remote-controlled convex mirrors with defrost, chrome power baggage door locks, double-pane windows, hydraulic leveling jacks, and, of course, a 12.5 kW Cummins diesel generator—all standard.

## Quality You Can Feel

Like a fine home, the 2021 Supreme Aire is framed 16 inches on center, and is covered by a fiberglass roof with walkable decking and an integrated gutter rail.

Lengths, heights, widths, and dry weights are approximate. Weight will vary based on optional equipment added to the above base weight.

**GAWR:** Gross Axle Weight Rating is the maximum permissible weight for an axle.

**GVWR:** Gross Vehicle Weight Rating is the maximum permissible weight for a fully loaded motor coach.

**GCWR:** Gross Combination Weight Rating is the value specified by the manufacturer of the vehicle as the maximum allowable loaded weight of this motor coach and any towed trailer or towed vehicle.

**UVW:** Unloaded Vehicle Weight is the weight of this motor coach as built at the factory with full fuel, engine oil, and coolants. Does not include cargo, fresh water, propane gas, or dealer-installed accessories.

**NCC:** Net Carrying Capacity is the maximum weight of all occupants, including the driver, personal belongings, food, fresh water, waste water, propane gas, tools, tongue weight of towed vehicle, dealer-installed accessories, etc., that can be carried by the motor coach.

**Specifications supplied by the chassis manufacturer.**

# The Newmar Customer Experience

The Newmar difference goes beyond our industry-leading motor coaches to provide you with an unrivaled ownership experience.

## QUALITY FROM THE START

Every Newmar is crafted one at a time by folks who have spent an average of eight years building them. And each coach we assemble must undergo more than 1,000 tests and checks before ever leaving our factory.

## CAREFULLY SELECTED DEALERS

We view our dealership network in terms of quality, not quantity. Each of our dealers acts as a partner in our shared mission to exceed your highest of expectations, for an ownership experience that's second to none from day one.

## EVERYTHING IN ONE PLACE

As a Newmar owner, you'll find resources specific to your coach through Newgle, an easy-to-use knowledge base that houses everything from user guides to technical support documents.

## FRIENDS FOR LIFE

Meet fellow owners through the Newmar Kountry Klub, a top social club for RV travelers that hosts rallies and other special events throughout the U.S. and Canada.

## SEAMLESS SERVICE

When you join the Newmar family, we pair you with a dedicated service specialist with expert knowledge of your exact coach. Available 24/7, our service specialists guarantee dealer warranty authorizations within four business hours and ship all in-stock parts the same day, free of charge.

## ROCK-SOLID PROTECTION

All models include a one-year/unlimited mileage limited warranty and a five-year, non-transferable structural warranty that covers your coach's superstructure in the event it fails to perform.

**Ask your Newmar dealer for more details.**

# Our Partners

Newmar Quality Begins with the Company We Keep

You deserve class-leading performance from names you can trust. That's why we only work with suppliers dedicated to providing our customers with unrivaled quality, comfort, and support.

Driven By You

## FREIGHTLINER CUSTOM CHASSIS

Freightliner Custom Chassis Corp. (FCCC) is renowned for delivering the industry's best ownership experience through exceptional 24/7 factory-direct support, exceptional ride and handling, and developing high-performance innovations such as DRIVETECH. It's the only RV driving system that prioritizes safety and automotive luxury by putting every command at your fingertips.

## SPARTAN RV CHASSIS

Designs, engineers, and assembles by hand each Spartan chassis for the best ride and handling in the industry. Spartan's leading safety ratings and ongoing investment in R&D give Spartan chassis owners superior performance and higher coach resale values. Spartan is American owned and has earned the trust of discerning RV owners based on its premium products and award-winning customer service.

We create chemistry

## BASF

A world full of colors! The Coatings Division of BASF develops, produces and markets a high-quality range of innovative and sustainable automotive OEM coatings and automotive refinishes.

## INDUSTRIAL FINISHES

Industrial Finishes has supported RV manufacturers for over four decades. The Industrial Finishes paint process delivers uncompromising quality, providing your coach with a true "Masterpiece" finish.

## RIVERPARK

RiverPark proudly represents the leading brands in consumer electronics—brands you know and trust to provide exceptional quality and innovative technology. Newmar features Samsung's incredible 4K TVs with Bose soundbars, Xite Infotainment systems featuring Rand McNally Navigation and JBL and Infinity premium audio. Step into a 2021 Newmar and experience dazzling audio and video performance throughout!

## Our People Take It Personally

Since Newmar was founded in 1968, our goal has been to build a better RV.

We have always believed that traveling shouldn't mean leaving behind the comforts you enjoy, so our coaches are crafted to be residential-quality homes—complete with handmade cabinetry and designer décors.

Every Newmar is built by hand, one at a time, by men and women who have dedicated years to creating superior-quality coaches that surpass their mass-produced competition.

We don't want to simply ask you to trust us when we talk about the Newmar difference. We want to prove it, every single time you hit the road. Because we take pride in the responsibility of designing, engineering, and constructing your motorhome.

And we know you'll be proud driving one on the way to your next destination.

When You Know the Difference.
