The design of every Phaeton floor plan must meet four essential criteria: Maximum space, Optimal organization, Relaxation plus, and Elegant atmosphere. Tiffin's MORE Plans offer your family the most comfortable layout for life on the road.

If optional furniture combinations are selected, window locations may vary from diagram shown. All options may not be available in every model. Because of progressive improvements and specifications, standard and optional equipment are subject to change without notice or obligation. For a complete and up-to-date list of available options and specifications, visit tiffinmotorhomes.com.

#### **Interior Décor**

Make your experience on the road all your own. Express yourself by choosing the interior appointments such as cabinet finishes, flooring, and décor ensembles for every part of your motorhome. In the 2023 Phaeton, you'll be able to travel in style no matter where you go.
