LUXURY MOTORCOACH

## Relax

It's time for a getaway, and the 2022 Essex wants you to do it in style and luxury with Newmar's industry-first innovation Comfort Drive™ steering system sets the tone for your entire trip, giving you easy control over the coach. There are memory settings for the captain's seat, pedals, steering column, and mirrors. Safety features include Mobileye® lane departure warning system, OnGuard™ collision mitigation technology, adaptive cruise control, and automatic high-beam headlights. The Essex is built on a Spartan® chassis with a 605-horsepower diesel engine.

## Your Room is Ready

Inside and out, the 2022 Essex is ready to accommodate you on your every trip. With an industry-exclusive full-paint Masterpiece Finish™ exterior it stands out in any environment.

To make getting around your destination easier, a 20K hitch makes towing a vehicle easy. Large windows offer natural light, and an air leveling control system helps keep things smooth.

Aledo full-paint Masterpiece Finish™

## A Welcome Site

Start your trip in the cockpit with heated and cooled Ultraleather® captain's chairs, and add the optional massage feature for extra comfort. Throughout the living quarters, entertainment features like a retractable Samsung® 4K LED TV and Bose® soundbar and subwoofer can be enjoyed from optional powered theatre seating, which sit opposite a sofa. Three 15M Penguin™ heat pump central air conditioners make it easy to keep the temperature to your liking. A luxury tile plank floor featuring new tiles for 2022 are found throughout the coach.

*Floor plan 4569 with Aledo décor and Ginger high-gloss cabinetry*

## Easy Going

As you're navigating to your destination, enjoy a touchscreen Nav-N-Go navigation system, which uses the coach's dimensions to find the most suitable route, as well as a monitor on the passenger side. A JBL sound system offers crisp, clean sound to your traveling music. A Samsung® tablet lets you control your coach with your fingertips, including electronics, lighting, shades, keyless entry, and more. You can keep your devices charged up with wireless charging pads on both sides of the coach, and internet connectivity and a Wi-Fi booster come standard.

## A Cook's Dream

The kitchen inside the Essex is loaded with fabulous cooking features. A recessed electric two-burner induction cooktop and stainless steel GE Advantium® convection microwave make whipping up a meal simple. Hardwood ultra-high-gloss cherry cabinetry—complete with soft-close doors and raised panels—cover the kitchen throughout, including matching wood overlays on the doors of the Whirlpool® refrigerator and optional dishwasher.

## Rest Easy

Step into the luxurious master suite of the Essex, and you'll be transported to a quiet place where you can find all of the rest and relaxation you're wanting. A king-size Sleep Number® adjustable mattress and quilted bedspread make it easy to wake up rested. Wireless charging stations are built into both nightstands, and a large dresser offers plenty of space with six soft-close drawers. A Samsung® LED TV and Bose® Bluetooth®-compatible soundbar sit across from the bed.

## Luxurious Amenities

The master bath is loaded with luxurious features to make your experience spa-like. The large shower, with an Aqua Miser® warm water conservations system, full tile walls and floor, and a fold-down seat provide plenty of personal comfort. Super-polished countertops surround two basin sinks. Behind a cabinet door you'll find a stacked Whirlpool® washer and dryer. On certain floor plans, you're greeted with a mid-ship half-bath, with many of the same features as the master.

## Step Outside

Even with all the beauty and luxury inside the coach, the exterior of the Essex is also enjoyable. Dual Girard® Nova side awnings come with wind sensors and LED lights to keep you out of the sun or light up the night. A Dometic® pull-out cooler comes standard to keep drinks and other snacks cool. Enjoy outdoor entertainment with a Samsung® TV and Bose® soundbar. Get plenty of peace thanks to a doorbell, plus a keyless lock with a touchpad offers more convenience. You can even add an optional security system. This is all powered by a 12.5kW Cummins Onan® diesel generator with auto changeover.

## SEAMLESS SERVICE

When you join the Newmar family, we pair you with a dedicated service specialist with expert knowledge of your exact coach. Available 24/7, our service specialists guarantee dealer warranty authorizations within four business hours and ship all in-stock parts the same day, free of charge.

## EVERYTHING IN ONE PLACE

As a Newmar owner, you'll find resources specific to your coach through Newgle, an easy-to-use knowledge base that houses everything from user guides to technical support documents.

## ROCK-SOLID PROTECTION

All models include a one-year/unlimited mileage limited warranty and a five-year, non-transferable structural warranty that covers your coach's superstructure in the event it fails to perform. Ask your Newmar dealer for more details.
